OFFICE OF LEGISLATIVE COUNSEL

Thursday - 26 April 1962

25X1 1. [] Donald T. Appell on the staff of the House
25X1 Committee on Un-American Activities advised that []
[] was to appear as a witness before the Committee on 9 May.
[] is involved with the Cross Currents Press, Inc., in New York
City which prints some materials the entire stock of which, on
occasion, has been bought by the Soviet embassy. In checking some
of their titles, Appell learned that similar titles were printed by an
organization called Soviet Booklets, 3 Rosary Gardens, London. He
was inquiring if we knew of any other occasions in other countries
printing the same material. After discussing this briefly with []
25X1 [] we are going back to Appell to get some of the specific titles
and any other information he may have.

25X1 2. [] Alerted Bob Smart, House
Armed Services Committee, to the appearance tonight of Mr. Dulles
on TV and indicated to him that this was not an Agency matter.

25X1 3. [] Talked with J. Don Kerlin, staff of
the Senate Post Office and Civil Service Committee, concerning the
President's proposal for reform of the Federal pay systems. He
indicated some hearings had been held but further hearings are
planned for early June and he would venture no comment on the future
of the bill, H. R. 10480.

25X1 4. [] I have made several attempts to reach
25X1 a [] who was referred to us by William Saltonstall, in the
25X1 office of Senator Leverett Saltonstall. [] is a student at American
University who wanted an appointment with Mr. McGone in connection
with a paper he is writing on Mr. McGone's confirmation. I attempted
25X1 to contact [] to give him references to several congressional
25X1 documents which might be of assistance to him. I have been unable to
reach [] at the University [] and he has not
responded to the messages which I left for him.
